

"THE MUSIC OF SPEECH"

Have you studied English for Years and invested hundreds of dollars or even thousands of dollars on English Language courses? BUT, When you speak, do people give you a Funny Look and say "WHAT" or "HUH" or act annoyed and say "I Can't Understand you!" Do people treat you rudely or think you are STUPID? Even though you are very intelligent and probably the smartest person you know! Are you stuck in a rotten job? Have you failed to pass Pre-employment personal interviews or other language proficiency tests? Are your limited English speaking skills holding you back in your career or are you earning much less money than your full potential? We know exactly how you feel because we have interviewed hundreds of people who have experienced the same feelings. We understand your frustrations. I am sure you are very aware of the numerous opportunities for those who speak fluent English. You realize your need to speak better English. At KITAKITZ PUBLISHING, we have the solution and we offer you unlimited opportunities. We NEED people with vision who can dream big! We need people who are motivated to achieve great things and who also know this requires HARD WORK! KITAKITZ PUBLISHING has developed the "SPEAK CLEARLY METHOD" our "American English Accent and Dialect Language Program. We guarantee if you invest a few hours each week learning the "SPEAK CLEARLY METHOD" that it will change your life! UNLIKE very expensive ESL type schools, private tutors, or endless hours of BORING Classroom instruction, the "SPEAK CLEARLY METHOD" is LOW COST, ALWAYS interesting and it is the most efficient language learning program available. We believe our methods are the BEST way to learn a language. We believe experiencing Language should be in a natural setting utilizing all of our senses. The same way we learned our Native language as a child. Face to Face with our family FEELING THE "MUSIC OF SPEECH" through the sounds, the vibrations, tones, pitch, volume, facial expressions and gestures. This "HUMAN TOUCH" is missing from modern language programs. The "HUMAN TOUCH" is an ALL important part of learning a language "NATURALLY." Our methods makes learning easier and highly efficient. In fact you will not even realize you are learning, it feels so natural. The "Speak Clearly Method" totally eliminates BORING CLASSROOMS. There are also NO vocabulary drills or grammar tests. Learning a new language is actually FUN! After you complete the "Speak Clearly Method" you will NEVER again hear someone question you by saying "WHAT" "HUH" or "I don't understand you." When you speak you will earn instant respect from all who hear you. Career opportunities that were once out of reach because of your limited English speaking skills will now be available to you. Kitakitz Publishing will help you onto your road to success.

WE GUARANTEE IT!
