

Monroe Fire Protection District

Procedure for Public Comment or Questions

The District Board recognizes the value of public comment on district issues and the importance of allowing members of the public to express themselves on district matters. To permit fair and orderly public expression, the Board requests you be respectful of others while they are making public comment. At each Board meeting at which public participation is permitted, the Chair of the Board shall administer the procedures of the Board for its conduct. Public participation shall be permitted as indicated on the order of business and at the discretion of the Chair. Participants must be recognized by the Chair and must preface their comments by an announcement of their name and group affiliation, when appropriate. Patron comments are limited to three (3) minutes. The Chair may interrupt, warn, or terminate a person's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant.
