Supervisor Smith called the meeting to order at 6:30 pm followed by the Pledge of Allegiance.

Additions to Agenda – one under new business - Meads Hill  
Public Be Heard-per policy - nothing – one member

Reports:

- a. Supervisor – working on different things, Town is now compliant with state on financial reports, working on water/sewer stuff. The Village is getting some maintenance done, dealing 3100 Wedgewood Road, they are still experiencing a sewer smell outside the house. Hunt Engineers will do an assessment. The property was smoke tested and everything works properly. The town receives a grant from our Workers Comp company and received a laptop and monitor (which is a 55" television), would like to mount in the board room so it can be used by everyone. It will require an outlet to be installed on the wall behind the bench. Alan asked that a courtesy email be sent to the judge to see if she has any issues since she used the room also. All in all, things are good right now.
- b. Deputy Supervisor – paper on sign, storm damage on roof carl guild fixed temporary needs shingles from room. Signs Jeremy 9400. Other need 3<sup>rd</sup> quote 7904.00 + 2400.00 haven't heard back from 3<sup>rd</sup> person
- c. Council Member Concerns – Gregory asked a few questions for educational purposes. He also stated that he would like to see the highway dept put more effort into finding other providers to find better prices. If they are not trying, how do we know we are getting the best prices. He also asked about the water tank inspection, was it done by a diver or a camera. It was a diver. Could it be done by camera? Need to ask Dept of Health. Meehan asked about the Highway Supt issue elected vs appointed, what happened. No action was taken.
- d. Clerk – no office hours July 31<sup>st</sup> and will be away Sept 15-19<sup>th</sup>. Deputy Clerk will be available her regular hours
- e. Bookkeeper – none
- f. Superintendent of Highway –
  - i. Hauled gravel from Odessa sand and stone
  - ii. Shared service with Town of Reading, Town of Hector. 2 trucks for a total of 7 days
  - iii. Hauled 1<sup>st</sup> stone for oil and stone for town road projects
  - iv. Dump spread 104 loads of gravel on Lawrence Johnson Road for highway project

regarding sizes, state has regulations. Noise ordinance, application fee schedule, hearing fee built in, right of ways 25 feet, ag retail sales- roadside versus ag retail, percentage grown on site, livestock birds and fowl in permit process, number animals, lot size. Town Board and Planning Board will hold a workshop Saturday, August 2<sup>nd</sup> at 9:00 AM.

- Battery Storage for Solar-set public hearing for battery storage

**New Business:**

There have been several complaints from residents in the Meads Hill Road area regarding chicken manure and egg shells that have been dumped in a field. The Town has no law to enforce such things. DEC was called but stated that there were no laws being broken. The complaint was forwarded to the Soil and Water Dept of DEC. An Encon officer showed up and stated that the person hauling the manure is in violation and will have to obtain the proper permits to continue. We need to come up with something to cover ourselves.
