DESCRIPTION: Ben Pearson's Golden Sovereign Line was his high-end line of bows. This Knight is a great looking and performing recurve. This bow has sweeping recurves that make it a somewhat faster recurve for its draw weight. Most Knights were made of Freijo, but this one has a riser of beautiful rare Brazilian Rosewood. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decals are in good shape. The only flaws in this bow are the filled screw holes on the face and riser (see pics on last page). Overall, this is a really nice bow in excellent condition for its age. COMES WITH A NEW STRING.
