The Reverend's Ruminations – November 2020

Volume 1, Issue 8

First Congregational United Church of Christ

By the time you read this, I hope that you have voted (or are about to) in the general election. It's been a long, arduous season of campaign commercials, debates, town halls, and endless pontificating by all manner of self-appointed "experts" on television and social media. 2020 has been tough in so many ways that whatever the outcome of the various political races, I pray that peace will be the ultimate outcome!

We may sometimes be tempted to think that our modern society is far removed from the dusty old stories of the Bible, but often it just requires a "parable mind set" to hear applicable teachings about seemingly old-fashioned concerns that speak right to the heart of modern settings. For example, Jesus has some tough but encouraging words for Christians in our Sunday lectionary gospel readings from Matthew's 23rd and 25th chapters during November.

On All Saint's Sunday Jesus speaks of those in places of power, who love to be noticed in the public squares and greedily gather the honors and benefits of their positions. His warning? *"All who exalt themselves will be humbled, and all who humble themselves will be exalted"* (Matthew 23:12, NRSV). Is he calling out across the centuries as well, to those currently in power or seeking to rise to power? I'd like to think so, and I hope all our candidates get the message. Here in the church, many of those whom we honor each year on the first Sunday in November did hear and heed Jesus' teaching, humbling themselves as servants of the community, the church, and their families. For this, we in turn exalt them and the memory of their humble service.

The selection for that first Sunday of November ends with verse 12, but if you continue in the 23rd chapter, you'll hear Jesus really laying into the hypocrisy of the scribes and Pharisees of the old-guard, establishment Jewish religion of his day. After lambasting their misuse of power, restriction of average parishioners, and swearing of false oaths, he says, *"Woe to you, scribes and Pharisees, hypocrites! For you tithe mint, dill, and cumin, and have neglected the weightier matters of the law: justice and mercy and faith. It is these you ought to have practiced without neglecting the others. You blind guides! You strain out a gnat but swallow a camel!"* (Matthew 23:23-24, NRSV). We of course are in a season for considering tithes and offerings, but no matter whether those are in the form of valuable spices or cash contributions toward the church budget, the greater consideration across the ages is how our gifts support the "weightier matters" essential to ministry: justice, mercy, and faith.

There is much work to be done in all three of those essential areas here in our church and community, so as you reflect on the blessings and responsibilities of being a Christian in this wild and woolly world of 2020, would you also prayerfully consider how you might serve a more active role at First Congregational United Church of Christ for a time? We will soon be seeking board and council members for a new term, and I encourage each of you to take your turn in these valuable ministries of the local church. None of the board positions takes more than a few hours a month, and even our Church Council meetings are generally well under two hours—including a fair amount of laughter and occasionally some snacks!

Of course, we are always in need of short-term help in the way of kitchen workers, singers, Christmas decorators, ushers, greeters, or scripture readers as well. Some of these activities have had to change in the face of a pandemic, but the work of the church marches on. Won't you help us continue our ministries?

As we slide on toward winter, and what are bound to be some new or different holiday traditions, I pray that you and your family stay healthy, happy, and inspired in your walk of faith!

Yours in Christ,

Rev. Cory Germain

Interview with Virginia "Ginny" Riedesel on October 13, 2020

"Ginny" grew up in Topeka, Kansas...her given name is Virginia Nelson but she prefers to be called by her nickname. She went to grade school and high school and was graduated there. She attended Washburn University in Topeka for two years.

During this time she met Dan Coats. Dan was two years older and was a pre-med student in college. He was "exempt" from the service but he joined up anyway because all his friends were in the service. (This was in the "war years")

After one year of college, Ginny married Dan in when she was 18 in 1944. He was stationed in San Antonio, Texas Air Force where he was 2nd Lt. When he completed his service, they moved back to Topeka where he restarted medical school. Their daughter Cynthia was born in 1946 and their son Brian was born four years later in 1950.

Tragedy struck when they were headed from San Francisco to Fresno to visit his parents. Dan was driving and suffered an aneurism and died in the car. He was 27 and Ginny was 25. Cynthia was 4 years old and Brian was only three months old.

Ginny's father had died the year before. Her mother was left in a very large home and was pleased to open her arms and home to Ginny and the children.

Later on, Bill Riedesel's sister called Ginny to come to her home because they needed another person for cards...it was a set-up! Bill and she were married in 1955 in Topeka the day after Christmas. They went to Cuba for their honeymoon! She said he was a great guy who had never been married. She jokes that he married her so she would cook for him! In 1956 they moved to Fairmont because Bill was an Engineer at Fairmont Railway Motors.

Bill was a member of our church and the head of Trustees....so...Ginny joined our church and has always felt "at home" here. She joined the choir and has sung in choirs for 80 years. Bill adopted Cynthia and Brian. Then two boys were added to the family. Tom was born in 1960 and Chuck was born in 1966. The family would go to their cabin up north every summer for two weeks.

Ginny has served on many boards and held many offices--Women's Fellowship, Sunday

School teacher, Circles, and Harvest Festival Committee. You will recall that Ginny has sung in choirs for 80 years but she decided to retire. Her beautiful voice is missed! Oh! and she has also given away her car and doesn't drive anymore.

She is such a delightful gal! We had such a great telephone visit.

From the Facilities Board:

The church's main snow blower has come to the end of its useful life after nearly 25 years of faithful service. Its drive system is completely worn out and parts to repair it are nearly impossible to find. We've decided that the best option is to purchase a snow blower attachment for our John Deere riding mower, but we need your help! A couple of pledges have already been offered, but if you'd like to donate toward a much-needed equipment purchase that will help keep our property clear and safe this winter, please contact Dean Grotte or Larry Thompson.

~ Pastor Cory

It may be only days before the presidential election when you read this, but Andy Stanley (senior pastor of North Point Community Church near Atlanta) has a great three-part series that is relevant either before or after the big event. He has a powerful countercultural message for Christians living in the wildly polarized political climate of 2020. Here are brief descriptions of the three sessions in his ***Talking Points: The Perfect Blend of Politics & Religion***:

What Is Jesus' Take on Politics?

Your favorite candidate will win or lose based on how our country votes this November. However, the church will win or lose based on our behavior between now and then.

How Christians Should Approach Politics

Our political views are shaped by a number of variables: our backgrounds, education, and personal experiences to name a few. It's easy to feel like our view is the right one, but the person beside you is more precious to God than your political view.

What Is the Role of the Church in Politics?

The unity and diversity of the early church shocked and intrigued the ancient world. Ours should as well.

It's interesting to watch children grow up and find ways to live out their faith. Some "grew up" in the public eye of reality TV for all to see, like Sadie Robertson Huff granddaughter of patriarch Phil Robertson from the long-running series, *Duck Dynasty*. Sadie was a teenager during the height of the show, but is now grown, married, and the author of several books on faith. She also has a new four-part series on **rightnow MEDIA** entitled ***Fire and Faithfulness***:

We live in a world that doesn't care what God wants. Sure, they may not say it that way, but the messages that parade across social media declare that God's way just isn't worth it. But as Christians, we're committed to following Jesus in every aspect of our lives. Is it possible to live—or maybe even thrive—as a believer in our world today?

In this four-session series with Sadie Robertson Huff, discover the lost art of faithfulness in the face of a world that wants nothing to do with God. Trek through the story of four young Israelites who, when ripped from their homes, faced a choice: remain faithful followers in a foreign land, or bow before an empire that hated God.

HyVee and Fareway Receipt Report

as of 18 October 2020

During the last five weeks, \$30,109.01 (22.74%) worth of Hy-Vee slips were turned in. After only 48 weeks, Hy-Vee reached \$150,001.27 (100.00%) and has \$17,140.80 (11.43%) toward the 13th \$150,000 goal. The reaching of the 12th goal was reached about a month earlier than I had first expected.

During the same five weeks, \$7,858.74 (5.23%) worth of Fareway slips were received. After 114 weeks, Fareway is at \$126,150.53 (84.10%) toward our 3rd \$1,000 from Fareway Store. Based on history, it will be June of 2021 before the goal is reached.

Thanks for bring in or even mailing them to me. Even the very small amounts help. During these weeks, there were two for \$0.18. Yes, 20 gallon of gasoline at nineteenthths of a cent per gallon and others where they paid less than 10 cents per gallon for 20 gallon. Remember this program started the first of March 2011, so any slips from then until now can be used. Any Fareway and Hy-Vee food store register slip can be used. Even slips from Hy-Vee Gas, Coffee Shop, Food Service, and Pharmacy help us toward the goal.
