SUBJECT: Glenmont Fire Station #18 – Community Meeting

On May 9, 2013 a public meeting was held at the Mid-County Regional Services Center at 2424 Reddie Drive Wheaton, MD in order to present conceptual exterior designs for the new Glenmont Fire Station #18 to the community and receive input.

The following members of the local Glenmont community participated in the meeting:

Monica Braden & Bruce Braden
Nury Funes
MJ Jardaneh

Three (3) conceptual designs were presented:

- Option 1 – Civic/Institutional presence, all brick with cast stone accents.
- Option 2 – A village of forms, smaller scale, brick and siding
- Option 3 – Civic Presence, siding and stone base.

The community members present unanimously chose option 3. Design of the Glenmont Fire Station will continue based on the option 3 concept. Additional meetings will be scheduled to present further design progress to the community as appropriate.
