

Due to the pandemic we decided not to have our June meeting. Our plan is to start having our meetings again in July. The July (5th) and August (2nd) meetings will be held at Terry and Connie's house. Terry and Connie are also having a Pig Roast on August 1st. These dates will happen providing we stay on the down swing of this pandemic. Please if you do plan on attending our meetings or the Pig Roast contact Terry and Connie for info at 989-343-1644. We would love to see you!!! Until next time...stay safe and healthy! Thanks Shelia
