No Show/Cancellation Policy

Please be aware many people are trying to schedule their time around our limited schedule and to miss your appointment is to take someone else's valuable time away, as well. If you cancel or do not show up to your appointment once an appointment is scheduled, you are expected to pay out of pocket \$35 unless you provide 24 hours advanced notice of cancellation. Acceptable forms of cancelation are emails, voice message or direct contact with the R.D. via text message or telephone call.

Please also be aware that if you happen to be late, that amount of time will be deducted from your scheduled appointment time. For example, if you are 30 minutes late for your 60-minute appointment, your appointment will now be 30 minutes.

Leave notice of cancellations on our voice mail at: 844-532-7623 Ext1 or via e-mail at Info@MastersInDietetics.com
