The Scotties (and other pet companions) in the household

Sadie, Stirling, and Tally

Information about Sadie:

Sadie was my very first Scottie. We got her when she was 5 and whelped two litters for a total of 11 beautiful puppies - of which seven are now champions and a few more are well on their way.

Information about Stirling:

Stirling - our brindle boy from Sadie's first litter. Showed him to his championship and may promote him as a special in the upcoming years. He's as sweet as can be and loves everyone.

Information about Tally:

Tally - our pick from Sadie's second litter. Finished her championship in early 2022. Looking forward to attending some barn hunt and participating in other "sports". She loves to hunt!

Do you breed Scotties?

Yes

Do you show Scotties in conformation events?

Do you show Scotties in other dog performance sports (ie- obedience, agility, barn hunt, etc.)?

Barn hunt, agility, and rally are on our bucket list!!

What else would you like us to know about you and your Scotties?

So excited to share my love of Scotties with anyone! Happy to help anyone and share any knowledge I have gained.
