~ Healings begin to occur, when in the Alignment of the Higher-Self. As the Spirit infuses Harmonic Intonements within, the Embodiment's System begins to Rise into the Higher Planes of Love and Light ~

Education of the Soul ~

We provide **Spiritual Teachings** in the **Services of Self-Help**. Activating and **Empowering the Embodiment**, helps one to Remember and Receive. As the Soul's Spirit begins to Remember and Awaken, the **Path of Purpose** that one has been in search for, is already being lived out. It's within the Soul's Spirit, where one lives in Righteousness, Quality and Empowerment, as an **Energy Experience**.

Services ~

13MMM13 Provides a Plethora of Services to **Help others Help themselves**, to Assist and Serve others to Remember who they are and why they are here. As well as **Teaching Tools** that provide **Educational Experiences** by assisting in the Awakening of their Spiritual Self, and in the unfolding of the Ascension process. As a Human Vessel, we are **Energy**. And Every Day we use this Energy-Fuel in the **Experiences** of our day-to-day Lives.

An **Energy Experience** is **Energy Healing** on *all levels of the Body, Mind, Emotions and Spirit*. The **Energy Experience** works on an **Energetic Level** of our being. When Energy Activations occur, the subtle bodies also begin to stabilize and co-correct imbalances or deficiencies of the Embodiment's System.

The **Energy Experiences** are Alive and Full of Light-Frequency. They provide the ability to flush the **Old Dormant Energy** of the **3-D** System, that can no longer sustain or remain within the **Embodiment**, while in the conversion process of the **5-D** Light Body.

Energy Experiences are an energetic **Reboot to Remember, Release, Repair, Re-align, and Receive, while Calibrating and Encoding the Cellular Makeup**. It helps to detoxify the old energetic system, cleanse impurities of the past, and creates an

illuminated restructuring on a cellular level to withstand the New Light Body Experience.

The **Energy Experience** begins to **Accelerate the Awakening** process, and begins to Restore and Balance the **Divine Feminine** and **Divine Masculine** into its Original state of **Essence**, known as Love.

As we **Help Ourselves Heal**, we also help Heal the Universe, for we are One thy Same. **Energy Experiences** help to **Awaken** One's Abilities, and to **Enhance** the Energy of the Receiver through Alchemy. We are Chemistry to the Science of our Embodiments, Infused by the Power of the Spiritual Senses. As these blend, they become the Concoction of the Coded Consciousness in this Awakening.
