Dear

I've begun my private practice, King of Glory Counseling. Now I need your help to get the word out about what I do. Word of mouth is the best way for me to get connected to the people that need my help, so I am asking for your support. If you know of men or women that need Christ Centered Counseling that is scriptural and guided by the Holy Spirit, please let them know about me. I am a Licensed Professional Counselor with fourteen years experience and have helped many people with a variety of problems. I specialize in helping people who are in spiritual bondage and who need inner healing. Connecting people to God is my passion.

I help people with;

- * Healing Prayer
- * Victims of Sexual Abuse and Trauma
- * Distorted Images of God

- * Fear and Anxiety
- * Anger and Resentment

I've included some business cards for you to pass out to people who need help. I will send you more if you call me at 579-6682 or email me at brandmaz@aol.com. Feel free to contact me if you have questions about my ministry or if I can help you. My desire is to continue the ministry of helping the oppressed and wounded in Tucson.
