Looking to connect with colleagues on issues of shared interest? Want to share strategies, challenges, and opportunities? Or just get to know your colleagues over a great meal? Sign up for a networking dinner at the Spring 2018 IPEC Institute.

**WHAT IS A NETWORKING DINNER?**

Networking Dinners, a new feature at the IPEC Institute, offer conference participants an opportunity to dine informally with peers and have small-group conversations. Personally connecting with other institute participants over a shared meal will allow you to benefit from the wisdom of diverse experiences and foster new relationships with IPE colleagues. Members from the Planning Committee and Institute Speakers will also be joining the Networking Dinner events. Dinners will be held at nearby restaurants that are within walking distance from the AAMC Learning Center and your designated conference hotel.

**HOW MANY PEOPLE ATTEND A NETWORKING DINNER?**

In order to provide optimal opportunities for networking, stimulating conversation, and peer learning, each Networking Dinner is limited to 10 people.

**HOW DO WE PAY FOR A NETWORKING DINNER?**

Each diner is responsible for his or her own check.

**ARE NETWORKING DINNERS AT EXPENSIVE RESTAURANTS?**

We have carefully planned the Networking Dinners to fit within your organization’s budget. There are low- and mid-range cost options, as well as opportunities to experience the cuisine of some of DC’s best restaurants.

**HOW DO I SELECT AND SIGN UP FOR A NETWORKING DINNER?**

Sign-up sheets will be available near the institute registration desk. We encourage attendees to sign-up early, as the Networking Dinners will be limited to 10 people per restaurant. You can select whichever Networking Dinner you desire.
WHEN AND WHERE WILL NETWORKING DINNERS TAKE PLACE?

Please see the list of restaurants and reservations times below. If there is a growing interest in the Networking Dinners, IPEC will arrange for additional reservations at nearby restaurants.
