

SINGLE REGISTRATION APPLICATION

The following must be included with the single registration application:

- 1. A copy of the registration certificate from another registry listing you as owner
- 2. A copy of a three or more generation pedigree
- 3. Three color photographs (left side, right side, frontal)

All documentation submitted will be evaluated and authenticated before issuance of American Molosser Association registration papers. The applying dog not matching the breed’s phenotype or fraudulent pedigree will cause the application to be rejected and a refund of the application fee will be made.

OWNERSHIP AND CERTIFICATION

The current owner of the dog who applies for registration must complete this section.

I hereby certify to the best of my knowledge that the information contained in this application is true and correct and that the ancestors are of the same breed as the dog I am attempting to register. I also certify that the accompanying photographs are a true representation of the dog identified by this application and supporting pedigree. Subsequent registration papers of this dog may be revoked if it is proven to our satisfaction that this application was fraudulent.
