Hi Glenna...wanted to share what a lovely time I had Saturday night. Thank you! You have poured your heart and soul into this latest book which reflects your wonderful relationship with our heroes and ultimately their stories. They were delightful and seemed so happy and proud to be in attendance and represented so beautifully in your book.

I also made a point to introduce myself to your delightful husband and to darling Charlie. You have a great, supportive family and as we travel through life, isn't it great to know that whatever we achieve is because of the love and support we have been given??

You are the best, Glenna! Congratulations on such a super project!

All the best,
Chris B.
