Approved Pick Up List

List the names of people you will permit to pick your child up from kindergarten. Children will not be released to anyone who is not on this list unless you notify the Teacher or Director.

Emergency Treatment: In the event of an illness or accident which requires immediate medical treatment at a time when a parent cannot be located, I give permission for Amber Nolan, Preschool & Kindergarten Director, or for other kindergarten personnel designated by the director, to authorize such treatment. I will not hold the preschool nor medical personnel responsible. This is done with the understanding that every attempt will have been made to contact parents, the child's physician, and other persons listed for emergency contact.
