Summer 1990

Presidents Letter

Another year has passed and with it the 1989-1990 darting season has come and gone. As you know, the 1989-1990 season was divided into two separate seasons - Fall 1989 and Winter 1990 a concept which met the approval of the majority of the members. The winners from each season were acknowledged and awards were presented to them at the Annual Meeting and Awards Banquet on May 24 at Alex's Continental. Awards were received for team and individual accomplishments in either the Fall, the Winter, or in some instances for both seasons. To all those teams and/or individuals claiming their awards and getting the recognition they deserve, CONGRATULATIONS for a job well done.

Aside from the presentation of the awards, elections were held whereby you chose Chris Sanders as vice-president along with trustees: Tamra Needles, Pete Mougey, Shelli Hixson and Maureen Bennett. After the elections and awards presentation, the members and their guests took the opportunity to socialize, enjoy a good meal and dance to the music provided by DJ Larry Viers. With over 300 people attending the Banquet (the largest turn out I can recall in the past four years) I would say it was an overwhelming success, thanks largely to the efforts of Linda Lou Busch and Donna Hack. Again, great job Linda and Donna.

With the end of the 1989-90 seasons, many darters opt to put their darts on the shelf for the summer so as to enjoy the longer days, warm weather and the many outdoor activities. Many of these people don't even think of returning to the line until the cooler weather draws near. However, the past few years have seen a dramatic increase in the number of darters participating in summer league play with the DDA.

As the summer winds down and fall approaches we will find a lot of people searching for their darts in anticipation of toeing the line in league competition once again. In preparing for the fall season, I am encouraging you to submit any opinions or suggestions you might have for league play as we are always looking for ways to enhance the league and to promote its growth. As always, all the best.

Respectfully,
Mark A. Grencavage
President, D. D. A.

I've been asked to take on the responsibilities of newsletter editor. I've agreed to give it a try for the next few issues to see if I can contribute and help make this a better world in which to live...well maybe I can give you something to read while in the study (you know, the place with the white throne where we all spend some time).

One thing we (the board) would like to get is some feedback from the membership on how we are doing. We realize that we mainly hear about problems, since that is what we are here to solve, but other news or feedback is also welcome. In an effort to let you know what we are doing as a board, the minutes of the meetings will be included in future issues of the newsletter. If the consensus is that this is good, it will continue, if it is not good...it will stop. See that, we aim to please.

Another thing that I would like to include is a list of Luck Of The Draws (LOTD's) happening in the Dayton area. This list will include information about electronic draws also (since variety never hurts). So if you know of any additions or corrections to this list, please let me know and they will be fixed.

As always, any material to be included in the newsletter is not only welcome, but graciously accepted....so let us know what you think...Lou.

FROM HANK.....

We owe a lot of thanks to Donna Hack and Linda Lou Busch for the big success of our banquet. The food was great and a good time was had by all. The Blues brothers look alikes were "Hanks Barbarians". Hard to follow an act like that. They have so much fun. I'm proud to sponsor them.

Congratulations to all the winner and to the losers, theres "next time".

Also our congratulations go to the winners who won the election. For Vice President Chris Sanders. Pete Mougey, Tamra Needles, Shelli Weckesser and Maureen Bennett won a seat for the board of directors. For those who ran and lost our thanks go to you for running, theres also a next time for you.

Hanks Pub played host to the American Dart Organization (A. D. O.) regional playoffs June 9. We considered this quite an honor. Players came from Cincinnati, Columbus, Pittsburgh and Indianapolis and of course we had four people representing Dayton. They were Billy Nicoll Jr., Ken Matlock, Brad Wethington and Tereasa Wahrab. They all played good, everyone, 8T0's, 12 dart outs, you name it and it was done. Well worth being there to witness the play. Sportsmanship prevailed and our own home town boy Billy Nicoll Jr. won first place. Good job Billy from us to you.

The winners of the events on June 2 Hanks Pub Dart Tournament are as follows:

Mixed Trips	1st	Doug Ligget, Chris & Larry Vanderboegh
	2nd	Kevin Tharpe, Hank Duff, Doug Dietrich
	3rd	Lou Lovash, Jody Atkins, Randy Barker
	4th	Mike Sheldon, Shelli W., Spanky

Open Singles	1st	Billy Nicoll Jr.
	2nd	Ken Matlock
	3rd	Candus Tipton
	4th	Mark Grencavage

B Div Doubles	1st	Dick Wendall, Mike B.
	2nd	Kevin Tharpe, Doug Dietrich
	3rd	Tim MacLemore, Hoa Harper
	4th	Greg Nicoll, Rick

Open Doubles	1st	Lou Lovash, Randy Barker (Snake)
	2nd	Jeff Keller, Travis Parker
	3rd	Dave O., Hoa
	4th	Mark Grencavage, Candus Tipton

Thanks to all of you for your support. We at Hanks Pub really enjoyed putting the tournament on, a little work, but fun. Our thanks also go to Karen Nicoll and Lady Di Brown who without their help we could not have done it. I keep hoping, more people will show for these tournaments, it doesn't matter where they are held, it is good competitive dart playing, plus helps you hone up on your skills and tactics and promotes darts and your Dart Bar. The next time you hear of a Dart Tournament anywhere in this county, try to support it please.

June 2nd was a happy day for Todd Renaker and his bride Peggy. They are now off on their honeymoon. May your life together be a happy one.

What! no babies, as of this time, no one has reported any blessed events. But if there is any new ones, our congratulations.

The beautiful plaque the Gem City Ten won this past year will always hold a place of honor at Hanks Pub. The girls were a real fine team and winning three times in a row only confirms their drive to be the best.

We have high hopes for the new Gem City Ten. They have the talent of a Championship team. Go for it girls!

Mary Toney and Jann Christiansen won luck sixteen. For the mens lucky sixteen, the winners were Denny Nevin and Mike Mantia, We have a lot of new people we are happy to report, the bigger the better.

A Tip for Darters:

When you are upset while playing league darts - Don't destroy the bar or any of its contents. "Grow up, or smack yourself," said the mirror in the mens room, "We know who you are."

Fact: Dayton has some great Lady darters.

Its a downhill road for S.C. See you around playing darts ... support your local dart bar...Hank Duff

WELL DONE!

TO THE NEW

CITY CHAMPIONS

MARY TONEY

&

BRAD WETHINGTON

The City Singles Championships were held April 28, 1990, at Greenmont Center in Kettering. This tournament provided bracket champions as well as city champions:

A bracket: **Mark Grencavage**
J. J. Jackson
Brad Wethington
Tony Smith

B bracket: **Johnny Cooley**
Keith Landis
Greg Nicoll
Chris Todd

C bracket: **Rick Johannes**
Glen Juillerat
Mike Considine
Terry Knight

Womens: **Mary Toney**
Shelli Weckesser
Pam Williams
Jackie Gordon

The City Championship was held after the bracket finals with Brad Wethington plaing Greg Nicoll on stage for the finals. Brad won the overall City Singles Championship for the second consecutive year.

GEM CITY 10

Well a new group of women darters have qualified to be part of our Ladies Travelling Challenge Team, the Gem City "10".

The new line-up is:

Jody Atkins
Maureen Bennett
Jann Christiansen
Jody Furrow
Jackie Gordon
Kathy Hobrock
Janet Itzkowitz
Tamra Needles
Diana Sanders
Mary Toney
Tereasa Wahlrab
Shelli Weckesser

These girls have a hard act to follow, but we know they will do their best in representing Dayton.

The next match is scheduled for July 21 at Marlowe's in Cincinnati, followed by a match in Dayton in September.

**1989/90 DIVISIONAL
SINGLES PLAYOFFS**

CONGRATULATIONS TO NORTON'S FALL DART TEAMS!

"What can the ADO do for me?"

This is an often-asked and legitimate question. Why should an individual or an association support a National Darts organization, when the object of forming an association in the first place was to "play darts with my friends"?

The answers vary, depending on the intent of the question. Speaking generally, however, the ADO can do for you what you can't reasonably do for yourself or for your organization.

Namely, the ADO can provide:

- National Coordination
- National Advertising
- Standardization of Tournament Rules and Equipment
- National and International Competition
- Representation on a worldwide basis (World Darts Federation)

People are into organized darts for a variety of reasons: social fun; the exhilaration of winning; the competition; even the money.

Darts are organized, run and promoted on the local level. A league or an association is free to structure their leagues any way they choose. This is as it should be. However, working at the local level limits the exposure, the prize structure and the competition, thereby creating the need for a National organization that ties the whole together.

The American Darts Organization (ADO) was established as the national organizing body for the Sport of Darts in the U.S. Its purpose is to promote the Sport nationally and internationally, without taking over control of the local organization AND without using the facade of a national organization to make a quick buck.

The ADO is organized at the grass roots level all across the United States. It is not sectional nor interested only in the name players. The ADO is dedicated to helping the fledging organization; to developing the growing base of new players; to educating the general public and to promoting, organizing and sponsoring darts, period.

What does all that mean in terms of you, the individual, or your Club? It means the intent of the ADO is to become for darts what the USGA is for Golf or the PBA is for bowling.

- It means we'll be able to secure nationwide sponsors.
- It means we'll be able to provide national TV coverage.
- It means we'll be able to hold \$100,000 + tournaments in the future.
- It means the number of Darters and Dart pubs will mushroom.
- It means local newspapers, radio and magazines will be interested in covering your events.
- It means people will begin to understand that there is more to a game of darts than shooting bulls.
- Finally, it means darts will be a bonafide national sport with its own nationally recognized prestige, glamour and super stars.

(See Reverse)

"What can the ADO do for me?"

Like anything else, there is strength (and clout) in numbers. The ADO represents over 60,000 dart players, nationwide. In truth, this number is still small when one considers the number of golfers, bowlers, tennis players, etc. in the U.S. However, it wasn't many years ago that these organizations were struggling for recognition, acceptance and memberships. The day of darts is close at hand. The ADO is going to speed the process.

Let's return for a minute to the practical question of what the ADO can, and IS doing for you, the player.

The ADO has:

- developed & distributed an annual National Tournament Calendar
- developed & distributed a quarterly Newsletter ("Double Eagle")
- developed & distributed Tournament Sanctioning Requirements/Procedures
- developed & published a standardized set of Tournament Playing Rules and minimum equipment standards
- established a 180 Certificate award
- established & maintained a National and Regional Championship Points System, offering awards and special recognition
- produced an 'ADO National Team' to play against top Canadian players in the semi-annual USA vs. Canada Match
- established the annual 'East-West ADO All Star Challenge' event. Each ADO Region has the opportunity to be represented on these teams, and every ADO member has a chance to compete in All-Star competition, via association playoffs
- established the 'ADO Youth Darts Program', for darters between the ages of 13 and 18. Local and Area playoffs culminate with an the annual ADO National Youth Championship.
- produced top-notch US teams for World Cup and Pacific Cup competition, including our 1987 Women's World Cup Team
- sent players annually to the World Masters, World Women's Singles, World Youth Masters, Nations Cup, World Professional, World Pairs, World Match Play, and other international events
- named an Official ADO Travel Agency, and been instrumental in establishing favored airline, rental car and hotel rates for traveling darters

The ADO continues in its efforts to:

- encourage additional sponsorship/media coverage for the sport
- organize darts for the handicapped
- establish an ADO National Darts League
- develop and make available an 'ADO Seminar' to assist local member organizations with the administration and operation of local league and tournament related activities
- assist in the promotion and coordination of darts among US Armed Forces personnel
- develop a comprehensive, equitable system for player ranking/selection

So "what's the ADO doing for me, the player?" Actually, quite a bit. And, at hardly any cost "to me, the player". When your organization maintains membership in the ADO, the average cost per person is under \$1.00 per year.....about the cost of one glass of beer!!

If your club hasn't joined the ADO, urge them to do so. The cost verges on the ridiculous; the benefits verge on the spectacular.

FROM THE DESK OF S. U. OMYNONA

Well the new board members have been elected and have now taken office in the Dayton Dart Association. I would like to mention a few things that should be looked into while the association moves into the decade of the 1990's.

Firstly, lets look into the feasibility of having an association office to work from. This would provide an anchor spot for the DDA even as the Officers and board members change from year to year. A place to locate our property and central location for sending and receiving information for the membership. Maybe even a live person to man the phones on league nights. (Anybody out there got an office or space they could donate to the cause?)

Other leagues around the country have developed a yearly calendar for their membership and seems like one of the best ideas I've seen. This calendar would cover all of the important dates for the year including our play-offs, league start-up, ADO play-offs, summer golf outing, family picnic and major tournaments in our locality. Each year we compete in the Quad City Challenge and having the dates of qualification at the beginning of the season would certainly precipitate a good turnout for this event. As you notice I've mentioned a summer family picnic and sounds like a great time for all the members to meet each other for a fun time. We might even; have a dart tournament outside, using wooden darts that might fly a little off line in order to even up the competition. Maybe a tourney for the small fry as well.

Another thought for the board members to contemplate is a possible bus trip to one of the major tournaments ie: Windy City open in Chicago. If we could make arrangements for a bus trip it's possible we could see a large DDA contingent at one of the big ones. In any case sounds like one hell of a party weekend. As long as we're talking trips how about a DDA Reds or Bengals sponsored trip. Of course the DDA would not have to pay for it as the members I'm sure would cover the costs. Might look nice up on the big scoreboard in Riverfront Stadium that the Dayton Dart Association has arrived.

Now for the one event that I would like to attend would be the Dayton Dart Association Golf Outing. Many of the members of our fine organization play this game and seems like a natural for our association. Let's look into the possibility of same.

Only one other thing comes to mind at the moment and that would be to have a league historian. His function would be to keep the group from making the same mistake over and over again.....

If the membership has any thoughts along these lines then attend a DDA board meeting held on the 3rd Monday of the month at the Greenmont Center, 7:00 PM off Patterson Rd. and let the group know how you feel.

Until next issue I remain..... S. U. OMYNONA

Calendar

August 9 Last week of summer play
August 20 Fall Team Applications due
** \$20 fine if late **
August ?? Captains Meeting
See application for
date and location
September 5/6 Fall league play begins

Thoughts.....Darts

Every dart has a value until it is thrown. It isn't really a value as much as it is a potential...like something that it might be...like a triple or a double. Make your dart approach maximum potential by being sure that you are shooting at the best possible target at that point in the game.

News...Growlers on North Dixie has recently installed four steel boards....Look for the grand opening of Bartles on Broad Street in Fairborn next to Comfort Inn, they will open in July and have both steel and electronic boards....

Attention Bar Owners

Be sure your team applications are submitted before August 20th. Any team applications received after this date may not be scheduled and will be fined \$20.

This is not being done to stop new teams from joining the DDA, but to allow a reasonable period of time for the scheduling committee to do their job.

As long as the application is turned in to a board member or postmarked August 20 or before, there will be no fine or possibility of not having room to schedule the team.

Advertisement for Cheers Inc. featuring 'UNDER NEW MANAGEMENT', '3 Cheers INC.', address '1227 Wilmington Pike', phone '294-8055', and details about happy hour and steel dart boards.

Scoring a Match

I recently experienced a problem that may have been avoided. The problem occurred because the results of matches were not recorded until some time after they ended. The points were marked wrong and some words were exchanged relating to this...the result is some bad feelings that may have been avoided.

As soon as a point is taken, please mark it immediately on the score sheet. Hopefully this will become a habit and the match will go smoothly with less chance for confrontation. Shoot well and lets all try to make darts more enjoyable to all.
