

From the Board of the Denver Police Retirees Assn. we would like to wish all retirees a very Merry Christmas and a Happy New Year.

This year we were able to continue our quest to bring the organization into the 21st Century. Changes do not come as fast as everyone would like but we are slowly making headway. Most of the changes are not apparent to the members as they are all those things that make administration of the organization more efficient and make the accountability better.

The web site has proven to be very beneficial and has made the organization accessible to the members. Payment of dues and making dinner reservations is only a click or two away. It has always been our mission to make the organization more responsive to the members.

If you were not at the Christmas Party you missed another good time. The dinner was home cooked and served by Ralph Acierno and his family and the music was provided by Tony David. Potenza Hall was a very nice setting for dancing and made visiting with friends a very pleasurable experience.

Looking ahead to next year we want to continue our progress toward accessibility. We are always trying to improve the web site and want to make it the place to get all of your information. We want to encourage you to visit the site every time you log on to your computer. You can interact with us and get any of the information we have at the web site. If you want to let us know any thing, have anything to share with your friends, or just want to know what is going on we are going to try to provide a vehicle for your needs.

We would also like to provide a way to inform you of the changes that will occur with your Health Insurance and any other issues that might impact us as retirees. If you have any questions or need any information about things that affect you let us know as if it impacts you it probably affects us too. If we don't have answers we do know where to go to get them.

We are looking forward to assisting you in some way next year so let us know if we can be of service.

Merry Christmas and Happy New Year.
