

VALHALLA'S FLEET IS ALWAYS READY TO GO!

Ever wondered if the Valhalla can get its product to you? It can!

At Valhalla Construction Products we are not only committed to offering you the best products possible, but we are also committed to getting them to you! Does a product need to be delivered to a job site? Your warehouse? Valhalla Construction Products is equipped to get your product to where you need it.

With a fleet comprised of large box trucks as well as standard trucks and vans, Valhalla Construction Products has a vehicle for every need.

Our offices are proud to serve all of Washington, Oregon, and Alaska! It doesn't matter where you find yourself in our states, we can reach you.

However, it's not just the fleet that makes Valhalla Construction Products so capable. At each warehouse location we have a dedicated staff who is ready to load your personal vehicle should you choose to will call, or to get your material onto our trucks so they can head out your way!

We are committed to meeting our customers' needs.

Because of that commitment, delivery convenience is always our focus. So no matter where you are in our states, we will serve you. Get in touch with us and we can figure out what is best for your business.

Thank you for using Valhalla Construction Products for your construction product needs! We'll see you where and when you need us.

Industrial Capability

Valhalla Construction Products has full warehouse operations at all offices.

Any product you need can be loaded into your vehicle at our warehouse or onto our trucks and sent to you!

Our staff works hard to load vehicles—like our 22-foot box truck!
