President's Message

As you may have heard, the impossible happened during the February tournament. While playing, I received a text from Gary, who was in early doing the score entry "Two holes in one today .. waiting to confirm" I assumed it was just two rumors spreading about the same shot. Then the first score card came in, then the second, and then a third scorecard – all with Aces. Unbelievable! Of course, the first thing we do is open up a bar tab, since everyone gets a free drink. Then we start doing the math. Since all three had hole in one insurance, the club covered the bar tab and paid out all the cash in the next three pots. Even after splitting the \$500 bar tab, each player still received \$415. And some of you still balk at \$2 for hole in one insurance? On top of that, they each won a skin and closest to the pin. No wonder they are all smiles!

Luis Alva, Chris Fitch, and George Moore.

Aside from that, I want to congratulate all the qualifiers for the President's Cup match play. You have 2 weeks to complete your first match, so contact your opponent and get scheduled now!

Mark Rief, President.

Tournament News

Let me start this month's newsletter submission saying wow - what a great 2023 Individual Low Net President's Cup Qualifier! This month's tournament had 4 flights with 114 golfers. The tournament had a historical finish for EPMC, but even likely on a larger scale with three of our members recording hole in ones: A-flight, Chris Fitch hole #16 Chino Creek, B-flight, Luis Alva hole #7 Chino Creek, and B-flight, George Moore hole #14 Chino Creek. Congratulations Chris, George and Luis! For our next month's Member/Member tournament please remember to buy Hole in

One insurance because the next three pots were depleted. Those members who had three or more X's in the book will have some remaining, but anyone with three or less X's, they're gone. It's only \$2 to buy in and well worth the coverage to have at least 2 or more in the book. Look for the Hole in book at Skins games too so we can all get coverage again. I missed working the signup table this month but enjoyed playing in the first group out and scoring the event. Special thanks to club member Albert Rivera for volunteering to help work check in. The tournament paid out \$4,841 to 54 players. Our 50/50 drawing winners were: Vino Nomura, Aaron Prisock, and Chris Ostergaard, each received \$120 pot money. Congratulations to all the winners!

In Golf Genius news – Online signups for our President's Cup Qualifier showed increased player knowledge using the on-line Golf Genius (GG) signup feature. 24 messages from members to the event manager were received through Golf Genius' email. Remember that GG also allows you to cancel or change your status from Playing to Not Playing any time the event portal is open for signups. I am happy to report increased user activity in the system that shows more members are learning the process. For our Tuesday Skins, GG is averaging 25 to 30 players consistently signing up on-line.

Match play for those who qualified in this month's event has officially started. We will again be tracking progress in GG. Find results and your next opponent just like you would the results of any tournament or skins game. Match Play rules are on our website. If you are in match play, be sure to contact your opponent as soon as you can. Reach out to us for

your next opponent's contact information as soon as possible. If you have any issues, please contact Doug.

March 4th is the upcoming Member/Member mixed format tournament. Team will score one low net best ball for nine holes and then score combined low net scores for the other nine holes. It's a TEAM event and only one member needs to signup/register the team in GG.

When Signups open, please follow these steps to register:

Step 1. You or your Playing Partner will need to navigate through the signup confirmation buttons by checking playing.

Step 2. Click on the signup other members link and add your playing partner's name.

Step 3. If you choose - you or your Playing Partner can SEND message to the manager either noting your TEAM PAIRING and/or include any special requests in your message.

Step 4. Hit the SEND button.

The tee sheet link in Golf Genius will populate names for the confirmed list of players. Pairings will not appear until TEAMS are made on the back end in Golf Genius. Be assured we will monitor signups closely and communicate with you if there are any issues. Registered players should get a Golf Genius automated signup confirmation email.

Finally, it will be important this month to talk early with your team partner and make sure they are playing. If you are a single with no partner, please sign up as a single making a note in Golf Genius to the manager and we will try our best to pair you up with another single. Remember that we cap our tournament size and will place players on a waitlist if reached. If you're lost with this process, or need any assistance please communicate with us.

The Member/Member Signup Portal will close Tuesday February 28th. Please sign up early to guarantee a spot. Online signups will close earlier if the player limit is reached before February 28th. We will confirm the roster of signed up players in email on Wednesday March 1st before the tournament, and release pairings by Friday March 3rd.

Helpful hint – March 4th Member/Member Tournament - AB flights will be on Butterfield and CD flights will be on Chino Creek. Partners this time - so choose wisely.
