Congratulations

You have been rewarded with a brand new pair of our Wireless Premium Quality Earbuds Powered by Bluetooth. Your new earbuds deliver good sound purity. Tight, thundering distortion-free bass. Crystal-clear mids. Soothing highs. Use them to listen to music during your workouts. They also have a built-in microphone so you can use them for business and personal calls too! Just pay shipping, handling and the sales tax.

How Can We Do This

We have a couple retail partners that we team up with to "crowd purchase" huge shipping containers that hold 10's of thousands of electronic products at 80-90% off retail. We simply pass our savings on to you as we do not profit from our electronic products. You are basically able to "piggy back" on our partnerships and buying power to get an attractive electronic premium for a fraction of the retail cost.
