

## Ashtead All Stars 20192020 Update No.19

### Sunday 1<sup>st</sup> March 2020

---

Dear all,

I hope everyone had a great half term. This Update is packed with results, and also with information about a junior league re-structure for next season. There is also information about Summer Netball which starts in April. Please read to the end of the Update as there is lots to take in.

First of all, it was sunshine and smiles at Manor House today. As it was the last of the Mid Surrey League fixtures, all teams were given their final standings, and I am delighted to report that there were lots of medals for AAS to take home. Well done to the U10s who won GOLD in the U10 Division, the U11 Lilac team (who were all U10s) who won GOLD in the U11B Division, the U14A team who won GOLD in the U14A Division, and the U14B who won GOLD in the U14B Division. Well done also to the U12A and U13A who narrowly missed out on GOLD by goal difference only.

Thank you to everyone who helped out today. There was fantastic parental support, help from some junior trainee coaches, and fantastic club spirit with lots of girls playing extra netball to help out other teams who were short.

## IMPORTANT - LEAGUE NEWS FOR NEXT SEASON

There is to be a big re-structure to the junior league system next season. More details will be released over the next few weeks, but it has been confirmed that a new Surrey League will combine and replace the Mid-Surrey League, the Nonsuch League, the Epsom Little League and the U16 County League. The new Surrey League will take place on 12 Sundays across the season, with an extra date at the beginning of the season which will be a qualifying tournament so that teams can be placed in the correct division. This is a huge step forward for junior netball, and we hope is a stepping stone towards even more frequent matches, so that eventually girls will wake up on a Sunday morning and expect a game of netball. Teams will have just one match each week. Timings will vary but will be known well in advance. Our girls will be expected to be available for all matches if they want to be part of a team, so this needs to be considered for next season. Final details are still being ironed out by the League committee and we will let you know as soon as we know more.
