

Resolution from the Executive Committee of the Burnet County Republican Party concerning Operation Jade Helm 15

Let it be known that the State of Texas and the Republican Party support the Armed Forces of the United States and the Law Enforcement Personnel across this great nation and greatly honor their service to all its citizens; and

Whereas it has come the attention of many concerned Texas citizens that a joint forces military drill and psychological operation (PSYOP) known as Jade Helm 15 is scheduled to begin in Texas on 15 July, 2015; and

Whereas Jade Helm 15 will deploy special operations forces involving the Green Berets, Navy Seals, the 82nd Airborne and Marine Special Operations Command among the civilian community - off base and on private and public property throughout this State; and

Whereas these joint operations include armed civilian personnel such as the Drug Enforcement Agency (DEA), the FBI, Joint Personnel Recovery Agency (JPRA), as well as other local, state and federal departments operating on civilian property without probable cause; and

Whereas said joint forces will involve personnel specifically trained to perform surprise infrastructure raids, assassinations of key enemy personnel, reconnaissance and extraction (snatch and grab) operations; and

Whereas Jade Helm 15 defines Texas, Utah and southern regions of California as "Hostile Territory" and will be psychologically conditioning said joint forces to view American citizens as the "enemy"; and

Whereas the defined mission of Jade Helm 15 is both disturbing to the public wellbeing and deeply insulting to the law abiding citizens of Texas, Utah and Southern California;

Now Therefore, the Burnet County Republican Party praises Governor Abbott for instructing the Texas State Guard to monitor and report back the full details of the actions taken by all the personnel involved with Operation Jade Helm 15.

Approved this 18th day of May, 2015 by a 9-2 vote by the Executive Committee of the Burnet County Republican Party.
