

Curriculum

Our Curriculum Supports the Development of:

- PERSONAL CONNECTIONS
- FEELINGS ABOUT SELF
- RELATIONSHIPS WITH OTHER CHILDREN
- UNDERSTANDING AND COMMUNICATING
- EXPLORING AND PROBLEM SOLVING
- MOVEMENT AND COORDINATION

- *Lesson plans are developed using Early Childhood Indicators of Progress*
- *Children develop knowledge and skills necessary for kindergarten*
- *Children are taught to verbally communicate their wants and needs as developmentally appropriate*
- *Children are taught problem solving skills so they may solve problems independently as developmentally appropriate*
- *Children are taught to understand the difference between good and bad choices, and the positive or negative impact that their choices have on themselves and others as developmentally appropriate*
- *Children are taught self-help skills as developmentally appropriate.*
