

## **The Strength of Your Creator**

*“You have armed me with strength for the battle..”* (Psalm 18:39).

We are living in a time when there seems to be a great lack of strength in believers. They have become disillusioned or disappointed, or they are not living by faith and relying upon the merits of Christ to lead, guide save them.

You however, You serve a powerful God. Today’s message is about walking in the one who commands you to be strong in Him and in the Power of His Might. Purpose in your heart to not settle for anything less than the strength of your Creator and the power of HIS might in your daily life.

He promises you His strength in place of your weaknesses. After all, you are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that you should walk in them (Ephesians 2:10).

He promises you, His strength in the battle and in times of trouble. Furthermore, it says, He is your strength in the time of trouble (Psalm 37:39). God gives strength to the weary and increases the power of the weak.

Your relationship with God can give you the inner energy and strength that will sustain you through each day. God made you. He knows best. He knows exactly what is good for you and what is bad for you. It is His delight when you come to Him. God delights when you see Him in ways you didn’t see Him before.

This means you are actively and willingly spending time focusing on Him to be filled. He wants you to know Him and to be totally confident that He is who He is, and He does what He says He will do. You can depend on God to help you. You can lean on Him, and as you do, you will see He will hold you up. As you grow closer to God’s Truth, you become stronger to stand against anything in the powerful name of Jesus.

So go ahead, God will not allow you to be shaken-“Give your burdens to the Lord, and He will take care of you. He will not permit the godly to slip and fall” (Psalm 55:22). Whatever you face this week, let His strength fill you.
