

LIVE OAK AUDIO VISUAL

Modern technology
Old-fashioned customer service

~ WEDDINGS AND SPECIAL EVENTS ~

.....

Ceremony Package: \$375

Weddings are the culmination of dreams and hard work. If your wedding is being held outdoors, in a unique location, or at a banquet facility, guests may have trouble hearing the ceremony. This package amplifies the ceremony while adding the flexibility to use a playlist for background and processional music.

- Wireless lapel microphone for officiant
- Wired floor microphone for couple
- 2 powered speakers with stands
- Audio patch to connect iPod, mobile device, or laptop
- Stereo mixer
- Delivery and set-up

Reception Package: \$350

With advances in technology, many people now prefer to create their own playlist for their wedding reception or special event. This package connects your iPod, mobile device or laptop to a sound and announcement system.

- Wireless handheld microphone for announcements and speeches
 - 2 powered speakers with stands
 - Audio patch to connect iPod, mobile device, or laptop
 - Stereo mixer
 - Delivery and set-up
-
