

Darcy Mickelson

Meet the Teacher

Pre-K Assistant

About Me

Hey everyone! I'm Darcy Mickelson, the Pre-K Assistant. I have spent most of my "mom-ing" career at home raising my babies but I'm glad to be back at VCS for my second year! I love the bubble that is Pre-K :). Where real life can be put on hold for four hours and I can just be around the cuteness of Pre-K. The staff is also amazing—so kind, thoughtful, and just great at what they do. It's so cool to know that not only the staff is praying for your family when you're going through something but also your kids' classmates (thank you group prayer time... you all know a little bit more about me than I'd care to share...).

I joined staff last year when my youngest headed to Pre-K. Totally not a helicopter mom move... But, being a "helicopter" (or just super loving and involved!) mom, I know what it's like to drop your kid off at school and then pray like crazy that they are being taken care of and having fun.

So rest easy Pre-K parents; my goal is to bring that mother's care to the classroom so your child will look forward to coming to school each day (and so you don't have to dread sending/fight to send them!).

I'd say my hobby is making my house prettier. I love a "clean" house (as clean as we can keep it while still living life and letting kids be kids); I love to decorate and organize. I am no Joanna Gaines but Pinterest helps me get a little bit closer. I also love summer—having a tan, eating on our patio, campfires, 4th of July, and just being outside with my kids.

I have so many verses underlined and journaled but one that is relevant to why I want to be a part of this school and why my husband works so hard to be able to send our kids here is 3 John 1:4 "It is the greatest joy of my life to hear that my children are consistently living their lives in the ways of truth!".

Let's have a great 2025-2026 school year!
