

As part of our *150th celebration*, we are offering a unique opportunity. We have secured an artist who will be creating special ornaments and decorative pieces of *Stained Glass* from *our church building* after having been replaced on the 3rd floor. We are offering a variety of unique designs, each of which will be one-of-a-kind memento of First Baptist, varying with the glass used. Many will be ready for Christmas, but we cannot guarantee everything, as our artist is involved in some other projects and is also expecting surgery on his hands at some point in coming months. The earlier you order, the better the odds your pieces will be completed by Christmas.

Orders placed by *September 9, 2019* will have the best chance to be available for Christmas.
All orders will need to be received by October 1, 2019.

Below are the options available, and the *minimum donation* amount for each item. The donations will go to the *150th offering*, designated for *Renovation expense and New Bus fund*.
