

## Hit the City

You're looking pretty.  
I'm looking good.  
Let's hit the city.  
It'll be as it should be  
You and me.

Hot town  
Hot night  
Night life

It's starting to rain  
And the hat, dark night  
Is getting steamy.  
I'm going down  
Seamy.
