COMPANY HISTORY

VLW Group LLC is a minority owned and operated project controls and construction management firm specializing in project scheduling, cost, estimating & reporting. Our experience is comprised of major projects, including the billion dollar City of Atlanta Clean Water Capital Improvement Program, to a small electrical clean room at Hartsfield-Jackson Airport. VLW Group was founded by Valister Wilson, who has an extensive history in project scheduling, and all areas of project controls. Mr. Wilson is a native of Chattanooga, Tennessee and a graduate of Auburn University with a Bachelor's in Building Science.

VLW Group has performed construction inspector/superintendent services for projects including Storm & Wastewater projects in Dekalb County.
