## **About our Logo Quilt**

**Quilt-a-holics Quilt** was pieced and quilted by Glynda Hylton. The pattern is by Melissa Gann. Glynda liked the idea of working on a quilt without knowing what it would look like in the end. She enjoyed it so much she is hosting a mystery quilt this month with a group of quilters. One of the most important items is picking your colors since you don't have a picture of the final quilt. We think she made excellent choices here.

Glynda Hylton has been quilting for ten years and recently retired. She has become a full-time guild member and looks forward to having time to quilt more.
