Crossgates Manor Residents:

As you are aware, upon the sale of A & A Refuse to Casella Waste, Crossgates Manor has had less than acceptable service. The Crossgates Manor Board of Directors met on April 8, 2025, at which time we chose B and L Carson Disposal as our trash hauler. We urge you to call now to set up your account but trash service by B and L Carson will not start until the week of July 1, 2025. All this depends on the length of service you have already pre-paid to Casella since some residents have paid for the entire year. If you cannot get a refund from Casella, you are permitted to continue with Casella for the duration. Each resident must handle their own account with Casella.

The Facts for B and L Carson:

- Two trucks will collect trash and recycling* on Tuesdays
- 3 bags and recycling - a reduced rate of \$75 per quarter. (If you received a notice hanging in your door, the one month free stated on the door hanging does not apply.)
- Residents are allowed one bulk item per month to be put curbside the 1st week only of the month
- Toters are required.
- If a holiday falls on a Monday or Tuesday, collection is Wednesday
- Follow B and L Carson on Facebook for weather delays

To Set Up Your Account:

- Call 717-696-9453. **Mention Crossgates Manor.**
- You will be asked to pay ahead for at least a quarter at the time of the call.
- Future bills are generated via email or the U.S. Postal Service.
- Toters will be provided free by B and L Carson.
- Request stickers for your trash and recycle receptacles to differentiate from Casella since pick-up for both is Tuesdays. If you use bags rather than a receptacle, you must tape a visible sign on all bags stating B and L Carson.

This is self-explanatory, but if you have questions, please email Pam Hershey (pamhershey2@gmail.com).
