

DESCRIPTION

POWERWASH is a super concentrated, non-butyl product that attacks the toughest cleaning jobs.

POWERWASH is very effective against grease, oily soils, petroleum, dirt and animal and vegetable oils.

POWERWASH removes dirt, grease and red mud from E.I.F.S. without damage to the surface.

POWERWASH can be safely spray applied. There are no harsh or toxic fumes, no phosphates or harmful solvents.

POWERWASH is biodegradable, non-acid, and non-flammable.
