

The Newark Central School District Invites You to Attend

A Visioning Summit

Visioning: The development of a plan, goal, vision for the future

Please join me as we work together to create a vision for our school community here in Newark. I need parents, students, faculty, staff, residents, business owners and everyone who cares about our school district and community. Our team will facilitate the morning activities to gather input, hear ideas and begin a strategic planning process.

Matt Cook, Superintendent of Schools

Date: Saturday, November 22, 2014

Time: 9:30 a.m. – Noon

Location: Newark High School Auditorium

For more information: Please call 332-3217
