## Lifetime Warranty

All American™ railing, posts, brackets, and connectors are warranted against failure of either the materials used, or the manufacturing process, for life. This warranty does not include slight changes in coloration due to the natural aging process. It also does not include any damage or failure due to misuse or abuse.

## RAILING PROFILES

Top Rail

1 3/4" x 1 7/8"

Unique full length PVC inserts in both the top and bottom rails to allow a faster, "screwless" assembly and create a tight, quiet fit.

Bottom Rail

1 1/4" x 1 1/2"

Drains in the bottom rail allow any moisture to escape.

### 3 RAIL OPTION

PLAIN

The American 3-Rail System offers a subtle way to bring an architectural design element to your railing project. The balusters go through the routed rail to the top rail. Add rings or butterfly scrolls for a more dramatic look.

### CABLE RAIL

The American Series Cable Rail is the perfect complement to any architectural design. It adds a modern and contemporary feel to any building and is an excellent choice for settings with a view.

- Available in three standard colors
- Sold in 36" high, six foot sections with no bottom rail
- Includes a 3/4" 39" spacer/stabilizer baluster to be fastened in the center of the section using mounts of a matching color
- The top rail (a pre-drilled center baluster) and the baluster mounts will be boxed together as a kit
- Cable will be sold by the foot
- Pre-drilled 3/4" posts will be available
- Posts and center baluster will be pre-drilled by Key-Link at 2.875" between each cable
- Cable hardware will utilize swivel mounts.

The stainless steel cables combined with aluminum post and rail assemblies make for a strong, durable and low-maintenance system that will last for a lifetime

Stainless steel cable runs through posts with minimal fittings for a sleek, modern look.

### DECKBOARD MOUNTING KIT

The American Series DeckBoard Mounting Kit offers an attractive, unique option to add style and artistic flair to your aluminum railing.

Available in all 3 standard American colors for both level and step kits. Two brackets per kit.
