

Members of Region 6,

Your former RC, Bea, has turned over assets and belongings of your Region to Operations. I have them in storage. I will keep them safe until somebody among you steps up to lead your Region. You have a great history of involvement and volunteerism and the rest of the organization needs you to become active again. If you have questions or are interested in leading the Region, please contact me at 906-359-4533.

Thank you,

Gerry Spomer

Operations Officer
