

CENTENNIAL BARN

110 Compton Road
Cincinnati, OH 45215

SATURDAY, OCT 20th
12pm - 4pm

Bark & Brew grew out of a pet blessing that was held at the Centennial Barn (the home base for Franciscan Ministries), every October in honor of the Feast of St. Francis. **Festivities include pet contests, craft beer, food, canine demonstrations, and an obstacle course. This year we will have local breweries on-site!**

The 3rd Annual Bark & Brew at the Barn will take place October 20th from Noon – 4 pm. Admission is free, and the event happens rain or shine (in case of rain, we just move everything inside the Barn.)

Franciscan Ministries is a social service non-profit that carries on the work of the Franciscan Sisters of the Poor by addressing the unmet needs of people who are underserved, vulnerable, and overlooked. We are a presence of healing, respecting the dignity of each person through a personal approach and diverse services that provide:

- Affordable housing for older adults in a caring environment
- First response care to women who are victims of human trafficking and suffer with addiction
- Haircare for people in need who cannot access this basic service
- Service experiences for youth and young adults focusing on simplicity and living in community
- Garden space for a community of local and refugee gardeners

Our organization receives no government funding and survives solely on support from the community. This happens through financial contributions and grants, volunteerism, and our fundraising events, like Bark & Brew at the Barn.

You may participate as a sponsor, vendor, or donor. Check out our **Gold & Silver sponsor levels** as they come with a **free rental of the Centennial Barn!** If you have any questions in regards to the event, feel free to reach out to me.

With appreciation,

Dawn Michaels
