Happiness Tip

Happiness comes not from what goes on outside of you but rather in how you perceive life from the inside. The healthy tendency to focus on and emphasize positive experiences and file them away for frequent recall while dimming memories of distressing times is one of the major components of a happy life. Think of a happy memory right now.

By Joanna Fuchs

Accept

Sometimes life hands us burdens we can't change, but we try anyway, using up a lot of energy and experiencing a lot of pain in the process. Accept things you can't change. Accept, accept, accept. Then take that time and energy you've been wasting and focus it on something that will bring you pleasure. You deserve it.

GIFT CERTIFICATES

Our Gift Certificates make the perfect gift for anyone, for any occasion and for any amount.

Please call to get one!

BUS LINE PROCEDURE

When you arrive at the bus you, **PHYSICALLY**, can get in line. You **CANNOT** put a bag, cart or any other object in line to hold your place. You are able to save one seat, which is for the person that will be sitting next to you. You are not able to let all your friends get in line with you. If this happens, your whole group will be asked to get in the back of the line. It is not fair to the people that get there early to sit where they want to sit.

TRIP PAYMENT POLICY

It has always been our policy that once a reservation is made, payment is required 2 weeks after. Holding unpaid reservation is unfair to everyone, travelers and us included. Again if you have to stop and think if I am talking to you, "yes, I am".

Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace you so that no one is out the money. Please contact us on a one to one basis if you have financial difficulties with this policy.

TONY'S BLOG

This year our New Years Eve celebration started in Washington DC. Our first stop was Arlington National Cemetery. Every grave had a Christmas wreath and of course we were fortunate enough to also see the changing of the guard. The second highlight was the beautiful Gaylord Hotel and the Charlie Brown ICE sculptures. Ocean City was also a big surprise this year. During our trip to see the wild ponies, we saw more this year than all the other years combined. Of course the New Years Eve party was very good, with good food, open bar, DJ and magician. On the way home we stopped for a wonderful dinner at The Pub. When you get this newsletter, we will be away on our annual winter cruise for a well needed rest and vacation.

ACME PARKING

Please patronize the Kenilworth Acme for allowing us to park in their lot for our trips.

Also, please note that when you are parked at the Acme, you are parking at your own risk and the Acme cannot be held responsible for anything.

POLICY FOR DAY TRIPS

It has always been our policy that once a reservation is made, payment is required 2 weeks after. To our own fault, we have been very lax with this policy. Our computer system is now set up to remove names that are not paid within that time frame. Holding unpaid reservation is unfair to everyone, travelers and us included. Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace your reservation so that no one is out the money. Unfortunately, this is becoming more and more of an issue and is putting us in a difficult spot. Please contact us on a one to one basis if you have financial difficulties with this policy and we will do our best to work with you.
