Introduction

One Vision Projects is committed to provide good quality design service for both commercial and residential client. Based on the harmony of the people and natural environment.

Our business is to provide a comprehensive development project from planning design and construction.

We feature the most innovative artwork, furniture, and luxury accessories, by a talented selection of designers. The space also serves as a showcase for the kind of interiors we are designing for luxury residence.

We believe that business will not be completed without the precise techniques that shape spaces, the creativity, and caring vision that will also considerate to sustainable interior design.

We work as a team of professionals and our passion for delivering an excellent design for its aesthetically and function.

Khalid Al-Najmi

Chairman & Ceo

Chairman's Message

It's been 5 years since I founded the company, since then we provide the latest and most creative villa interior design to our respected customers. And we succeed in the field despite of many competitors in the market.

During the design phase, I provide feedback to the design & building team on adequacy of the design, schedule and budget projections and also the construction phase, I make material selections and observe progress to verify that the design & building team is proceeding with full understanding and compliance with the basic expectations set out earlier.

We are proven in our commitment in rendering a good service. Our customer satisfaction brought us to stay in the business.

Ever since the establishment, we have endeavor to contribute to prosperity of our customers.

As a founder and managing director of the company. I am looking forward for new challenges and opportunities that will make the ONE VISION PROJECTS leading and be more recognizable among all builders and Interior Design Companies.

About Us

One Vision Projects provides a range of Architectural and interior design for both residential and commercial projects. Highly skilled and creative team operating under one simple philosophy: merging form, function and technology to create the interiors that pleases the senses.

Over the past 5 years, our dynamic team has developed an invaluable reputation for creating elegant, sophisticated interiors for private clients, including prestigious developments and projects.

Established at Doha 2015. One Vision Projects become prominent with elegance and superior quality, fact that the company's extensive list of repeat clients Attest to
