1956 Harley-Davidson
model KHK

Ride this great new
MODEL K for amazing speed,
breathtaking skills,
recreational fun and excitement!

Turn the handle on a Harley-Davidson Model K and get on for a spine-tingling, thrill-packed ride. Make the ride fly with the motorcycle going at full speed, with power and responsive parts. You'll like the additional comfort that is provided by the dual swinging seat and suspension. Specially designed fork and frame tubing provide increased air flowing over your parts. And so the speed comes on the dependable V-Twin in-line engine to help you reach speeds wherever you go.

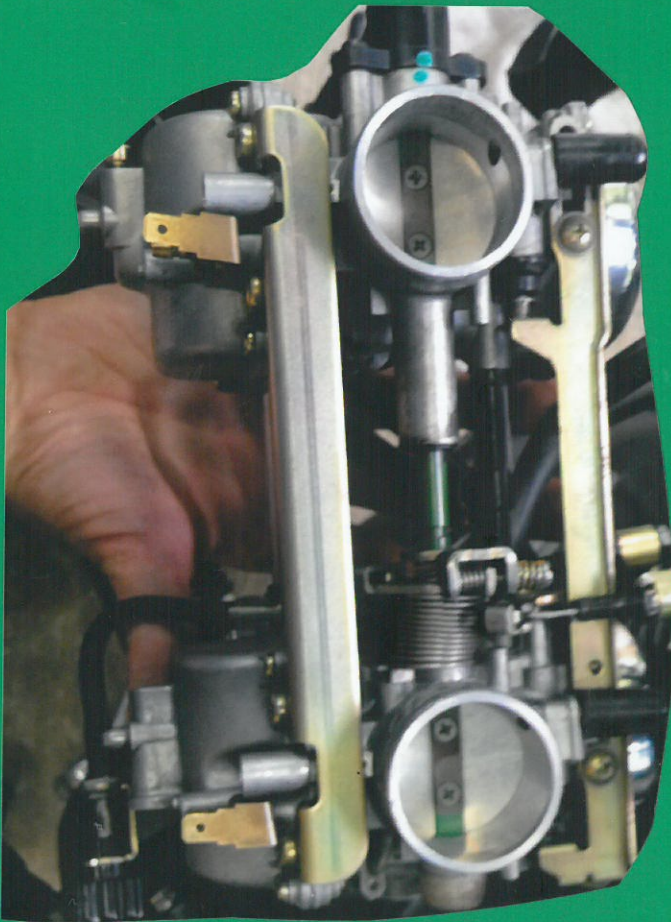

Try a ride at your Harley-Davidson dealer's today. Being a Harley rider, be sure to see the illustrated literature, and a copy of the Illustrated magazine. Start with exciting stories, Harley-Davidson Motor Co., Dept. 85, Milwaukee 1, Wis.
