

Puddleducks Weekly Newsletter

for week commencing 20th June 2022

General Information:

We still have an array of illnesses circulating. These seem to consist of sore throat, uncontrolled temperature, and snotty nose.

Please remember, if your child is 'unwell', they should stay at home to fully recover.

Administered medication given to your child prior to arrival, must be relayed to us at handover.

Thank you.

Once again, a reminder that sun cream and named sun hats for all children are required daily. If possible, can you apply some cream to them prior to arrival. Thank you.
