Razzo's in Italian Means Rockets
Honestly Homemade! Honestly Delicious!

Locally Owned & Operated

The Razzos Story:

Like any good story, this one has a humble beginning. A long time ago, 2008 to be exact, Kyle & Melinda took their 4 kids out to eat in Rochester. They stopped into a pizzeria and like any good entrepreneur Kyle said to Melinda "we can do this better." "If we support the community, the community will support us." They bought the restaurant at 10:00 and opened that day at 4:00. The journey has been rewarding. It is our hope that every Razzos meal, like this story, has a happy ending. Thank you for supporting Razzos!
