2019 CHAMPIONSHIP FINALS TOURNAMENT 12 - 14 April 2019

Military Basketball Association / Pikes Peak Chapter Association of the United States Army

On behalf of the Strategic Alliance between the Military Basketball Association (MBA) and the Pikes Peak Chapter of the Association of the United States Army (PPC-AUSA) we would like to thank you for your support in this event. This new partnership synergizes the missions and strengths of both organizations to achieve maximum results in the sponsorship for, and the execution of, an annual multi-service basketball tournament in one of our nation's most military-supportive communities.

Below is the arrangement of Sponsorship Tiers and benefits. We find that this will help us to align our fundraising goals and objectives, while offering value packages appropriate for any and all prospective event supporters. There are two different groups for event sponsorship—Community Partner Sponsorship and Universal Sponsorship.

The Community Partner Sponsorship is reserved for local businesses, companies, and organizations that are PPC-AUSA corporate dues-paying members in good standing. Because these members support the Association of the U.S. Army consistently throughout each year of their membership, they are offered significant sponsorship benefits for this event enjoyed by Universal Sponsors, but at a reduced cost. Universal Sponsors, open to any prospective donors, are offered more tier levels and are provided the opportunity to become one of (up to three) elite sponsors for this event by contributing at our event signature "Champion" tier level.

NOTE: PROSPECTIVE SPONSORS THAT ARE NOT PPC-AUSA COMMUNITY PARTNERS ARE ENCOURAGED TO BECOME MEMBERS, AND THUS WILL BE AFFORDED COMMUNITY PARTNER SPONSORSHIP (AND OTHER MEMBERSHIP) BENEFITS. THE COST FOR A ONE YEAR MEMBERSHIP IS \$175. JOIN ONLINE BY CREDIT CARD (OR REQUEST AN INVOICE).

Event Details

The 2018-2019 Finals games will be held April 12-14 at the United States Air Force Academy.

Sixteen (16) varsity-level teams from all U.S. military services qualify and compete to determine the best installation in Military Basketball. This year the MBA will introduce a Women's Tournament for the first time that will consist of eight (8) teams.

Akin to the collegiate March Madness basketball fervor, these military tournaments are widely attended as off-duty competing teams converge from all over the country and from all services. The enthusiasm is amped-up by inter and intra-service rivalries, which only add to the friendly fun. The tournament is not financed by public funding. Therefore private, commercial, business, and corporate sponsorship opportunities abound, and donations offer outstanding return-on-investment results.

*On April 12, 2019 at 6:00 pm in the evening, we will honor sixteen (16) first-ever selected distinguished military basketball volunteers, coaches and former players at our first annual MBA Hall of Fame Induction Ceremony and Community Reception at the Clune Arena (Cadet Fieldhouse) on the U.S. Air Force Academy. These special members will be recognized for their continued years of selfless sacrifice and dedication to the Military Basketball Association in support of military athletes around the world. Each inductee has volunteered countless hours of service, and contributed considerable amounts of their personal funds to support a varsity program at their local installation. **There will be more to follow on this planned ceremony and reception as we finalize the venue and honored guest presenter(s).***
