

Appaloosa Cutting Horse Association Stallion Auction

The money raised from the donated stallions will benefit the ApCHA 3 year old cutting futurity and the 4 year old cutting derby. Money will be distributed evenly with 40% of money raised from the auction going to the purse for the 3 year old cutting futurity and 40% going to the 4 year old cutting derby purse. The remaining 20% will be distributed evenly between the club to retain for operating funds and the ApCHA Stallion Auction Foal Incentive Program.

Ten percent of the proceeds from the Stallion Services sold will be set-aside in the Stallion Incentive Account. Annually, the 10% will be held until the resulting foal's 3-year-old year. All resulting foals must be ApHC registered and sired by a stallion that had his service sell in the 2016 Stallion Auction to be eligible for the Stallion Incentive Money. All foals sired by the stallion will be eligible for the incentive money. The highest placing resulting foal in the ApCHA Futurity will receive the Stallion Donor Incentive Money. The Incentive Money will be paid to the owner of the stallion at the time of the breeding and the current owner(s) of the resulting foal. The purse will be split, 50% going to the Stallion Owner and 50% going to the resulting foal owner. This account is interest bearing and such interest is retained in the account and is available for awards. Any monies not awarded (due to no entries) will be carried over and added to the monies available to be distributed in the following year.

Stallion Services are donated to the ApCHA and the donated services will be offered for sale through the ApCHA Stallion Auction. Information on donated stallions will be published for the benefit of advertisement to the stallion owner and the association in the ApCHA World Show Program (Donators receiving free business card placement, Donators Donating multiple stallions will receive a larger advertisement placement), listed on the ApCHA website and Facebook page, and possibly published in other horse publications.

As a condition of this contract the stallion owner/donor must agree to the following.

1. The stallion owner's standard breeding contract will be signed indicating the donated breeding and sent to the breeding facility so they will be familiar with the donation. A photocopy of the breeding contract should also be returned to ApCHA with this donation contract for informational purposes. The stallion owner is responsible for sending the original breeding contract to the mare owner and the breeding facility.
2. If the stallion is sold, becomes deceased or unfit for breeding at anytime during the stallion auction, the donor of the stallion breeding must immediately notify Dannica Percevich.

3. The stallion owner may charge the mare owner for normal mare care charges and any other applicable fees such as chute fees, veterinary fees, semen shipping fees, etc.
4. Once the breeding has been sold, the ApCHA will notify the stallion owner and breeding facility. The contact person's name and phone number of the breeding facility and owner will be given to the purchaser. Breeding arrangements will be made between donor and purchaser. The ApCHA is not responsible for booking dates or any additional fees associated with this breeding.
5. Should the stallion die, become unfit for breeding purposes, or is sold during the duration of the breeding season and said mare has not been serviced by said stallion, then any moneys paid by mare owner to Appaloosa Cutting Horse Association shall upon proper verification of the above mentioned stallion owner, be given credit to purchase another stallion fee in the succeeding Appaloosa Cutting Horse Association Stallion Auction. If credit balance remains, credit will be issued for that balance the second year.
6. All the information provided to the ApCHA by the stallion donator is believed to be true. The ApCHA is not responsible for verifying information and will not be responsible for any misleading information.
7. Arabian, Thoroughbred, and Quarter Horse Stallions owners are encouraged to pay all fees associated with breeding an ApHC registered mare. Service Buyer will pay all ApHC fees required for non-ApHC registered stallion if stallion owner will not (including ApHC membership, stallion listings, DNA test or waivers, shipped semen reports, stallion reports and mare listings).

Stallion Service Auction Procedures

All breeding's donated to the program will be auctioned online through 32auctions.com. If a stallion stands at Private Treaty or is syndicated, an "established" breeding fee will be determined. In order for a bid to be considered, it must be at least forty percent (40%) of the advertised or established breeding fee. The auction will begin December 5, 2016 at 12:00 p.m. MST and the auction portion will end on January 7, 2017 at 12:00 p.m. MST. Bid increments must be in the amount of \$25.00 or more. Any breeding not sold when bidding closes, will be offered on a first-come, first-serve basis for 60% of the advertised breeding fee. Donated breeding's will be offered until sold or until April 1, 2016. Individuals who are not able to bid using the online methods can contact Dannica Percevich with their bids.

A stallion owner/donor may purchase their own stallion service at fifty percent (50%) of the advertised **or** "established" breeding fee at the time of donation. This will eliminate the stallion from the public auction, but the stallion will still be listed for all advertisement purposes.

Any breeding purchased through the ApCHA Stallion Service Program may not be transferred or re-sold by the purchaser. Breeding's are for the 2016 season only. Any carryover to a future year is at the sole discretion of the stallion owner. Payment in the form of Check or Cash must be mailed to the ApCHA Stallion Auction upon purchase of breeding. If a foal does not results from

the breeding purchased, a carryover breeding used will not be eligible for the futurity incentive fund unless the stallion is once again sold through the ApCHA Stallion auction the following year.

The ApCHA Stallion Auction will accept late stallion breeding donations until March 1, 2017. It is in the best interest of the stallion owner to donate as early as possible to help the stallion auction and receive the full benefits of advertising. The late breeding's will be sold on a first-come, first serve basis for 60% of the advertised breeding fee.

IT WILL BE THE MARE OWNERS RESPONSIBILITY TO CONTACT THE STALLION OWNER AND/ BREEDING FACILITY FOR ADDITIONAL FEES.

THE ApCHA IS NOT RESPONSIBLE FOR CHANGE OF FEES, ADDITIONAL FEES OR BOOKING DATES.

BOTH THE DONOR & THE BREEDING FACILITY WILL BE NOTIFIED WHEN THE BREEDING IS SOLD.

Important Notice:

The purpose of this program is to provide funds for the ApCHA 3 year old cutting futurity and 4 year old cutting derby purses. In view of this purpose, there will be no refund of winning bids for any reason. After the bidding has been completed, any transaction dealing with the breeding will be solely between the stallion owner and the mare owner. It will in no way involve the ApCHA. Submitting a contract indicates acceptance of the foregoing statements.

Please include a photocopy of the stallion's registration papers AND a photocopy of the breeding contract. Email photo of stallion for the website to dp2005@hotmail.com.

Completed forms can be mailed to:
