

TAG DAYS

September 12 & 13, 2025

Let's showcase the talented students of Royal Oak Schools and raise money for the Royal Oak High School Band and Orchestra Boosters

Tell me more...

What? Tag Days are when our students play their instruments outside local businesses and ask passersby to donate and support the Royal Oak Band and Orchestra program. We accept donations of cash or QR code for card payments.

Why? Tag Days are the biggest fundraiser for the Boosters program. This money goes to support programs for the Band and Orchestra students throughout the year. Funds raised go toward equipment, field trips, and other expenses as determined by the directors and boosters.

Who? All Band and Orchestra students will be asked to volunteer, and we will need some parent volunteers too. A sign-up will be sent from your ensemble at the start of the year.

What music do I play? Anything you want. Past students have played their favorite tunes from class, or from extra books they own. We've even had crafty students pull music from the internet at the last minute for big donations. Fight songs get great responses. Since you are only ever playing for patrons walking in or out of a business, you only need a short setlist. And if you aren't feeling up to playing anything, it's o.k. to bring your instrument and just show it off.

There's more... Any student who works more than one shift will be entered to win a \$50 gift card.
