The Soncy Branch Is Now Open For Business

The Soncy Branch officially opened their doors to service the western gateway of Amarillo. We had a very productive first day of business. We opened our first new membership 30 minutes after our doors opened. We would like to thank all current and new members that made their way out to see the new branch and for making this day such a success. The overall reaction that can be heard inside and out was how beautiful the new branch was. If you have not come to visit, please make sure to come out and take a peek for yourself.

On that day we also hosted a Grand Opening Celebration. We had delicious tacos cooked on site as well as hot dogs and bratwurst. As people were eating, we were able to walk around, enjoy some good conversations, while sharing a good laugh. There was also a special appearance by Ruckus from the Sod Poodles who was popular amongst everyone posing for pictures.

Skip-A-Pay

Do you need a little extra money in your pocket this holiday season? Take advantage of our annual Skip-A-Pay good October through December. If you are interested, please visit our website www.cityfederalcu.com and click on the Skip-A-Pay 2021 link. There will be a \$25 participation fee for each loan that is approved for the deferral either processed from your account or by mailing in a check. Requests need to be received 10 days before your scheduled loan payment is due.

The Fine Print: All loan payments must be skipped in the same month and loan must be current. Delinquent loans do not qualify for the Skip-A-Pay program. This offer is not valid on Mastercard, delinquent loans, lines of credit, or loans involved in a bankruptcy.

International Credit Union Day

October 15th is International Credit Union Day. This is to celebrate the financial partnership between credit unions and their members. To show our appreciation to our members please visit either of our locations and enjoy a donut between the hours of 9-11 with your credit union staff.

USA PATRIOT ACT

Pursuant to the USA PATRIOT Act-Customer Identification Program, every financial institution in the United States will be required to ask new and existing members for identification prior to opening new accounts, adding individuals to existing accounts, and for some transactions like wires and ACH.

If the staff at City Federal Credit Union asks you to provide a photo ID, the request is not meant to invade your privacy or not acknowledge you if you are a long-time member. We are simply complying with federal regulation that is designed to protect you from identity theft and protect the Credit Union from being used for criminal activity.

For account transactions, you will only be asked for one form of ID. If you are opening a new account or adding someone to an existing account, you will be asked to provide at least two forms of ID. If you do not have this information with you at the time you make your request, we will not be able to complete the transaction until it is provided.

IMPORTANT

If you move or change your phone number, it is very important to update your account information with the credit union. This is especially important for your City FCU MasterCard debit card and City FCU MasterCard credit card accounts. If fraudulent activity is suspected by our fraud network and we cannot contact you by phone, your card will be shut down to protect your account.
