Parents, we Continue to need your feedback!

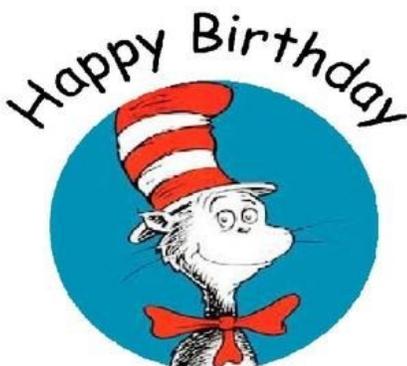

Last month I shared our need to decide about Christmas week in the month of March and asked for your feedback via a survey <https://www.surveymonkey.com/r/TK2YTRX>. To date, there have been 42 responses resulting in exactly 50% of the people saying close for the week, and 50% of the people saying open Monday, Thursday and Friday. This is a very important decision and your feedback means a great deal to us. Please, if you haven't completed the survey and are in our 1 year old class through our 4s (not counting VPK), please respond. As a reminder, if we close that week all families who are enrolled at that time will receive a free week the following year.

Important Date Information:

March 18 - 22 No VPK. This means that VPK only students can come for the week but will be charged \$90.00 and that wrap kids can also come for their regular fee of \$90.00

March 28th - Picture Day

Next Month - Summer/Fall
Registration and Parent Surveys

Dr. Seuss

March 2, 1904

Please Remember:

- ◆ Drop off time is no later than 8:30 (8:20 would be better so that the children are set to let at 8:30)
- ◆ Please do not bring toys in with your children. We have plenty for them to play with here.
- ◆ Never leave a child in the car alone (thank you to those who have clearly been working on this).
- ◆ We are still looking for help to create two sandboxes that are off the ground but deep enough that we don't lose sand on a daily basis.
- ◆ Our Facebook account for parents can be accessed by going to Foundations Preschool for Parents.
