RE: Article 4, Section 3, Federal Constitution Verified "Claim of the [people of] United States", ex rel, Michael Joseph Kearns for Damages

Dear Governor Abbott;

This is my firm demand politically as one of the "people of the United States" for a claim for damages by officials, officers, agents and employees of the State of Texas and or its political subdivisions for violations of the right of Michael Joseph Kearns, to a Writ of Habeas Corpus<sup>1</sup>, in an amount of TWO HUNDRED FORTY MILLION U.S. DOLLARS.

This amount is for the non-issuance of the said Writ of Right on eight (8) separate instances to eight (8) different entities and or officials and treble damages for Civil RICO when I was given information of an unwritten agreement between the judges of Texas not to issue a Writ of Habeas Corpus except in their own court, which information seems to have been born out in this Case.

The said Writ or better said the right to the Writ is valued by myself at \$10 MUSD per each occurrence and is supported by the 11<sup>th</sup> Federal Circuit in Case, *TREZEVANT v. CITY OF TAMPA*,<sup>2</sup> where the Court of Appeals said, \$25,000.00 for 23 minutes false imprisonment was not unreasonable.<sup>3</sup>

This Claim at this time does not include other rights violations with some 60 plus actors and/or co-conspirators for due process violations which caused numerous disfranchisements of both the State of Texas Constitution and the 1787 Constitution of the United States for the United States of America.

---

<sup>1</sup> State of Texas Constitution, Article 1 – Bill of Rights, Section 12

<sup>2</sup> 741 F.2d 336 (1984)(CA11)

<sup>3</sup> With 1,440 minutes per day, that equals to right at 1.5 MUSD/day

The following is the list of officials, officers and entities of various government entities involved with the said Case in Chief which caused all these damages:

1. Texas Court of Criminal Appeals – August, 2016 – Denied in writing
2. Retired Judge Jon Wisser, Austin, November 2016 – orally refused
3. Bexar County Court at Law Judge Wayne Christian – April, 2017 – not issued
4. Williamson County Judge Dan Gattis – refused and denied by County Attorney
5. Retired District Judge Billy Stubblefield – June 2017 - not issued
6. Williamson County Clerk – filed – August 31, 2017, answered – 9/28/17 - denied by order – November 7, 2017
7. Travis County District Clerk – refused – returned without issuing
8. Comal County Judge Sherman Krause – Dec. 4, 2017 – not issued

The said denial of the Writ in each of these eight instances is very easy to prove, however, if the State of Texas wants to argue about the other 60 plus officials, officers, agents and employees and all the individual rights violations/disfranchisements and the appropriate multipliers, that can all be stated, proven with much more cost, time and effort on everyone's part.

I reserve my right to invoke my alternative forum.<sup>4</sup>

I will allow a courtesy time of sixty (60) days for a response before any further action will be taken on the matter.

Respectfully

  
Michael Joseph Kearns, as one of  
the "people of the United States"<sup>5</sup>
