## Steve Kaplan (Atlanta, Georgia)

Praise His Name! God bless you and thank you for supporting our ministry! Please pray for **BOLDED** items:

In February, I'll be driving to and **MINISTERING** in Texas, Arizona, Nevada and California and back to Atlanta. I'll speak at congregations and other groups, do outreach and will have ministry tables at the MJAA Conference in Irvine, California. Please pray for this **SCHEDULE!**

## Around Atlanta

**LEE** (Chairman of our Board of Directors) and I still meet for lunch on Thursdays at the mall when I am in town. Many **PEOPLE** are challenged by my t-shirts! There have been new **ISRAELIS** working at the mall and two of them accepted Hebrew booklets we brought back from **ISRAEL!**

I often have meals with a Jewish **MAN** who prayed to receive Jesus through our ministry, and he often helps get our newsletter out every month.

Another Jewish **MAN** who prayed to receive Jesus through our ministry has heart problems. I met him when he was 26, and the doctors said he will only live to age 40. He is 44 now and wants very much to help make t-shirts again, but is too sick to do so.

Another young Jewish **MAN** who prayed to receive Jesus through our ministry moved out of state. He was in town, and we went to dinner. Although he is not walking with the Lord, he has kept a job and out of jail.

Please pray for spiritual growth in these men!

## Atlanta Gift Show

This is one of my favorite outreaches! The January Atlanta Gift Show is thought to be the largest or one of the world's largest gift shows. It takes place at the Atlanta Merchandise Mart in downtown Atlanta. There are buildings with many showrooms that are opened for shows and often held by Orthodox Jewish people primarily from New York as well as several floors of temporary spaces. Thousands of **BUYERS** and **SELLERS** come from all over the United States and beyond.

Many Jewish people (and others) were challenged by my "*Jesus Loves You*" t-shirt. Many people complimented my t-shirt! One seller was intrigued by my t-shirt and stopped me to talk. He is an Israeli and he was selling some items I wanted. We sell Jewish stars with crosses in them, but he had crosses with a Jewish star on them! He was somewhat open and took one of the Hebrew booklets we brought back from Israel!

## Advertising Works

We received an e-mail from a Jewish **MAN** who was challenged by our van! We had some back and forth, but he was just being antagonistic?

A WOMAN from Idaho called us. She has been giving our Gospel tracts to ISRAELIS at a mall near her home and ran out. She had no idea where she got our tracts from, but had us send her some more!

A Christian WOMAN from Kentucky found our website and called us. She just found out her FATHER is Jewish, and she wanted to better understand her Jewish roots!

## Georgia Mens Advance

For the last several years we have had tables at the Georgia Mens Advance (they advance rather than retreat). Its an opportunity to equip **PEOPLE** with evangelistic t-shirts and jewelry. We sold dozens of t-shirts, and we challenged people to wear them to the malls to share with the **ISRAELIS!**

My friend **PAUL** told me he went on our website and downloaded some of our Gospel tracts and then left one in the bathroom at a Kosher restaurant in Atlanta!

*"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12*

**EDDIE & LURA BECKFORD (Arad, Israel)**

Lura wrote: "Praise the Lord, we have been able to pay off the loan that we were forced to sign at the bank! We are grateful for the support & the Lord's Provision!

We have "adopted" the staff at a local coffee shop. We give them small tokens of appreciation for their service. It is such a neat love relationship with the young people. The Lord is moving among the young people in Israel; they are hungry for spiritual meaning in their life. So we continue to distribute the books and Bibles whenever the Lord gives us opportunity.

Please continue to pray for our health. Eddie has a toxic level of aluminum in his body and it has affected his health. He is undergoing a protocol to remove the aluminum. We live in a toxic world these days, but we thank the Lord for the wisdom and knowledge to guard our health in order to serve our Lord and Savior Yeshua. Thanks for the prayers! God bless you!"
