

# THE REVIVAL OF GOG-MAGOG

## A FALSE SENSE OF PEACE AND SECURITY AND A PROPHETIC PLUNDERING

The purpose of this study is to ascertain the possible reasons why and when the invasion of Israel by the Gog-Magog Muslim alliance will occur based on the prophecy of the Biblical book of Ezekiel chapters 38 and 39. The reasons are clearly stated and outlined by YHWH in the Bible pertaining to this future invasion of Israel. One main reason is to show YHWH's Holiness to Israel, 'My People'. A second reason is to show GOD's Glory to the Nations; that YHWH alone is GOD, not Allah nor the coming false Messiah AntiChrist.

What is occurring in the Ukraine is the revival of Gog and Magog and the Princes of the Russias for this very prophetic plundering to come. The well orchestrated crisis in the Ukraine is just another rehearsal and priming the pump of Gog and Magog that the Globalist Luciferians are preparing in setting up the stage for this eventual invasion of Israel. These enemies of YHWH and GOD's People, the Jews will be spearheaded by the Russian Confederation in preparation for a prophetic plunder of Israel's wealth and natural resources. It will be Russia in league with the outer ring of Muslim nations that will be brought to the mountains of Israel and utterly destroyed by the GOD of Israel.

### GOG MAGOG

#### THE PRELUDE

Ukraine, like so many other nations is itself being plundered just the same for this very prophetic purpose; it is a dry run. The very strategy of Lucifer has always been the same since his fall. His signature mark is to kill, steal and destroy, that is to plunder as it divides and conquers. Humanity knows this Satanic Plan all too well since Lucifer divided and conquered the first human couple, Adam and Eve. Ever since that time, this same 'end-game' of Lucifer has been used very successfully throughout the ages against people, places and nations.

#### THE PROPHETIC PLUNDER

For the Ukraine and the Crimea, the issue is not about 'democracy' but about securing a military stepping stone to a yet future invasion of Israel. The New World Order, that is about to be birthed, has to have the Promised Land prophetically in their attempt to plunder the wealth, the very inheritance of the YHWH, that is the very city of Jerusalem, the City of the King. What is strategic and telling about this point and time pertaining to the Ukrainian crisis is that Crimea is vital to the launching of this coming future invasion by Lucifer through this Russian Gog and Magog alliance with the Outer Ring of Muslim nations against GOD's Land.

Thus one possible rationale for the future prophetic plunder of the Russia-Muslim alliance against Israel is to take these gas deposits from Israel and take out Russia's competitor in the process. Why? In Ezekiel 38, it gives the rationale for such an invasion. These conditions will be far too enticing for Russia to not seek to take advantage of. The prophecy specifically states the following conditions of Israel at the time of the invasion.

- 1) The invasion will be at some 'future time'.
- 2) A time when Israel has 'recovered' from a major war.
- 3) Israel will be living in un-walled cities and villages.
- 4) There will be a guarantee of 'peace and security'.

Over the last few years, Israel has discovered a 'gold mine' of natural gas reserves off its shores. It has plans to exploit the gas deposits and is set to become possibly a major distributor of oil and natural gas to Europe. Currently it is Russia that has the grand monopoly on these commodities and European market.

**A Post WW 3 Thermonuclear War**  
Another prophetic clue as to when this Gog-Magog invasion will occur has to do with the 7 year time-span that the machinery is to be burned for fuel in Israel. This duration of time does echo the possible time-span of the 7 year Tribulation period that many who believe in the pre-Tribulation Rapture subscribe to. What is interesting is that this invasion will be nuclear. The description in Zechariah 12 and Ezekiel accurately depict what occurs during a thermonuclear detonation. The following are an accurate depiction as such an event.

1. Eye sockets melt in the skull
2. Tongues melt in the roof of the mouth
3. A rain of fiery hailstorms
4. Burning sulfur envelopes the land

**DIVIDE AND CONQUER**  
Geopolitically, Crimea and the Ukraine stand at the strategic economic crossroads between the East and West. It is the centralized region for which all the major gas and oil pipelines from Asia flow to Europe. The dividing and plundering that is happening to the Ukraine presently is like what occurred with Poland that led-up to World War. Poland was divided and conquered prior to WWII. This was due to the joint Stalin and Hitler pact; a Soviet Imperial Russia and a Fascist Nazi Germany carved out Poland in half and the spoils went to each hand.

Perhaps this is what is happening now in the back doors of the Luciferian Globalist dealing and dividing away the Ukraine between the European Union and the Russian Confederation. Ironically, this same strategy is occurring in western Ukraine now as it was with Poland. The wealth of Poland was transported to the banks of Germany's Industrialists who funded and supported Hitler's war machine to come.

#### THE ALLIANCE

According to the prophecy of the Bible in the Book of Ezekiel, this coming invasion of Israel will be led by Gog and Magog, the princes of Meshek and Tubal. Such names can be traced to the ancient peoples that settled in the steppes of Kiev or the southern region of the Russias as they are often referred to as. These are referred Biblically as the 'Princes'. There will be an alliance of many nations that will make up this prophetic plunder invasion of Israel. In particular, the 4 primary nations that are mentioned, Persia, Put, Cush and Gomer give a clue as to where the geographic composition of such an alliance will come from. These invading nations to come; in a 'future time' correspond to the 4 cardinal directions with reference to Israel as the eye of the invasion.
