## Other Challenges

### Lego Challenge

You have been hired to design and build a hotel, using Lego or any other building material you may have. What will it look like? What places are there to relax in and what activities can the guests do whilst staying there? Let your imagination go wild!

<https://www.altontowers.com/>

### Creative Challenge

- This week's 'Doodle' is to have a go at doodling or drawing your favourite food. This can be anything you enjoy eating. If you want to colour it in, please do(odle)!
- Hold a photo session! Ask to use a camera or phone and take photos of different things you see in the house or on your daily walk.

### Memory Games

Watch the YouTube clip and see if you can remember which item was removed. Can you make your own memory game and ask a member of your family which item was removed? How good is their memory?
